

*I'm weird,
and that's okay!*

Experience

Fantasy Interactive

UX Design Intern | May - August, 2013

During my internship I helped build information architecture, user interactions, and wireframes for many of the company's leading clients.

RIT Video Production

VFX & Animation | March 2012 - Present

I collaborate with video specialists and designers throughout the production of award-winning RIT promotional videos.

Freelance

VFX & Animation | March 2012 - Present

I've had the pleasure to work with clients on many diverse assignments like developing brands, designing websites, and working on film projects.
